Note: The symbol [###] indicates that Orleans Technical Institute enrolled too few students belonging to a particular group to report on their completion and graduation rate without potentially compromising the students' identities or rights to confidentiality.

Retention Rate

The retention rates listed below were reported to the Integrated Postsecondary Education Data System.

First-time, full-time retention rate	79%
First-time, part-time retention rate	67%

These rates do not represent the success rates of the entire student population at Orleans Technical Institute. For more information about the Student Right-to-Know Act and interpreting this data, please contact the Associate Director.
